

God is sorry for you!

God is sorry when you are sad.

God is sorry when you
are angry and going mad.

God is sorry when
things don't go your way.

God knows you are sad
when your bills you can't pay.

God only knows when
we can't take anymore.

God knows you are sad
when faith walks out the door.

God knows you are sad
when you suffer loss.

God knows your pain, because through His
Son, is what salvation cost.

amen...
